Wildrose

Study drug and design:

AbbVie is testing two drugs that are approved by the Food and Drug Administration (FDA). The objective of the study is to assess the safety, tolerability, and the pharmacokinetics (the amount of drug absorbed in your bloodstream and how your body handles the drug) in premenopausal healthy subjects.

Minimum Subject Selection Criteria:

YOU may be eligible to take part in this clinical study if you meet the following conditions:

- ◆ Premenopausal females 18 to 49 years of age at the time of screening.
- ◆ Average weight for height (BMI 18 to 29.9 kg).
- ◆ Not taking any medications or herbal remedies or supplements other than hormonal contraception.
- ◆ No history of any drug sensitivity or allergy.
- ◆ No history of drug or alcohol abuse x 6 months
- ◆ Non-user of tobacco for at least 6 months.
- ◆ No blood or blood product donation ax 8 weeks.
- ◆ No other study participation within 30 days or 5 half-lives of the drug if known.
- ◆ Must be 6 weeks away from last first in human study.

Screenings at ACPRU in Grayslake

Screening dates: *(To find out if you are suitable to take part in this clinical study)*

- ◆ Please call our recruiting office at 1-800-827-2778 to schedule an appointment.
- ◆ **Additional screening dates may be available.**
- ◆ Screening appointments are between the hours of 08:00 and 11:45 am and take approximately 3 hours.

Stipend:

- ◆ **Screening:** \$75.00. (No compensation if urine drug/alcohol/cotinine screen is positive or if BMI is out of range.)
- ◆ **Study:** Compensation of up to \$8,650.00 may be provided if selected and you complete the study.

Study dates: *(Please note that these dates and times are subject to change)*

Must complete all periods and/or follow up visit(s).

Note: There is no confinement in this study. You will be required to come to the ACPRU for at least 20 visits listed below:

Screening, Pre-visit (Day -5), Day 1, Day 7, Day 14, Day 21, Day 29, Day 35, Day 42, Day 49, Day 57, Day 63, Day 70, Day 77, Day 85, Day 91, Day 98, Day 105, Day 112 & Day 119 (follow up visit)

(Please note that these dates and times are subject to change)

Please call our recruiting office at 1-800-827-2778 to schedule an appointment.
